

BEAVERFIT™

CAMPUS RECREATION SOLUTIONS

HOWEVER YOU TRAIN, WHEREVER YOU TRAIN

BeaverFit is a veteran-owned company offering world-class indoor, outdoor and mobile training solutions.

As a globally trusted partner, BeaverFit has installed thousands of custom training solutions to universities, fitness clubs, franchises, all branches of the U.S. military, NATO forces and Fortune 500 companies.

All products are made in the USA and proven to perform in the toughest training environments. With in-house design engineers and manufacturing, the BeaverFit team proudly takes on the challenge of creating custom, turnkey solutions that meet the specific space, needs and training requirements of partners.

**FOR THOSE WITH A MISSION THAT MATTERS,
WE CREATE UNIQUE TRAINING ENVIRONMENTS
THAT ENABLE YOU TO WIN.**

BUILT WITH PURPOSE

MADE IN THE USA

All BeaverFit equipment is designed and manufactured in our HQ facility in Reno, Nevada.

ULTRA STABLE + DURABLE

We utilize 7-gauge 3 x 3-in. and 4 x 6-in. steel tubing for all non-portable solutions as opposed to the less durable industry standard.

SUPERIOR WEATHERPROOFING

For more than a decade, military forces have used our products in the toughest environments. With hot-dip galvanization and powder coating, our products are purpose built for outdoor use.

INTERACTIVE DESIGN

We collaborate with customers to create the ultimate outdoor training area based on their available space, target budget and desired outcomes.

INSTALLATION

We offer white glove installation services to create a pain-free installation and delivery experience.

PROVEN RESULTS

“

If you're looking to enhance your facility's impact without expanding your footprint, BeaverFit offers a smart, scalable solution. Their products are built for longevity and engagement, and their team truly understands the needs of collegiate recreation.

KIMMEL YEAGER
EXECUTIVE DIRECTOR OF WELLNESS, USD

“

Three “P’s.” Painless, Professional and Prompt. We threw BeaverFit some challenges in size and unique features. They responded to all of our needs and met every design challenge we gave them. I could not ask for a more professional and responsive group. The experience we had with BeaverFit was absolutely amazing.

JIM FITZSIMMONS
DIRECTOR FITNESS AND RECREATIONAL SPORTS
UNIVERSITY OF NEVADA RENO

LET'S BUILD YOUR VISION. TOGETHER.

We understand no two facilities or training programs are alike.

We will help you create an outdoor training center to meet your unique needs and requirements.

CONTRACTING VEHICLES

SOURCEWELL (101625-BFT)

BeaverFit is proud to earn a Sourcwell contract for outdoor, indoor and mobile fitness solutions. Sourcwell is a government agency that makes the buying process easier and more affordable by combining the purchasing power of many agencies into a single cooperative group. Contracts are competitively solicited to satisfy the public bidding process for education, government and nonprofit participating agencies.

NPPGOV (PS25030)

Select BeaverFit solutions are available for purchase via the NPPGov cooperative contract. NPPGov is a national cooperative procurement organization offering publicly solicited contracts to government entities nationwide. NPPGov uses various Lead Public Agencies to publicly solicit and award contracts through a request for proposal process. NPPGov members can access these contracts, thereby eliminating the need to complete their own RFP process.

BEAVERFIT - TRAINING ACCESSORIES

This series of high-quality performance training accessories are proudly made in the USA and designed for both indoor and outdoor environments.
